

WEG AND MILITARY DISCOUNTS

Weinfeld Education Group (WEG) offers services that can help all military families, including those who have children who have special needs.

EDUCATIONAL ADVOCACY

WEG offers professional advocacy services for families of children who may have special needs, whether it be due to an educational disability or gifted level functioning. By reviewing records and speaking to involved staff and parents, WEG's educational consultants form an expert opinion and then can come to school meetings, virtually, to advocate for programming that will lead to meaningful progress.

SCHOOL SELECTION

WEG offers school selection services when families are moving to a new area. This service helps families compare schools in the new area to determine which ones will be the best fit for the children in question.

SPECIAL DISCOUNTS ONLY FOR MILITARY FAMILIES
